# SUPPLY UNDER GST

### 1. Perquisites provided in terms of contractual agreement to employee – not liable to GST

**Circular No. 172/04/2022 GST dated 06.07.2022** clarifies issue as to whether various perquisites provided by the employer to its employees in terms of contractual agreement entered into between the employer and the employee are liable for GST.

**Clarification:** Schedule III to the CGST Act provides that “services by employee to the employer in the course of or in relation to his employment” will not be considered as supply of goods or services and hence GST is not applicable on services rendered by employee to employer provided they are in the course of or in relation to employment.

Any perquisites provided by the employer to its employees in terms of contractual agreement entered into between the employer and the employee are in lieu of the services provided by employee to the employer in relation to his employment. It follows therefrom that **perquisites provided by the employer to the employee in terms of contractual agreement entered into between the employer and the employee will not be subjected to GST.**

### **2. Clarification regarding GST applicability on liquidated damages, compensation and penalty arising out of breach of contract or other provisions of law**

**Circular No. 178/10/2022 GST dated 03.08.2022** clarifies issues with respect to GST applicability on liquidated damages, compensation and penalty arising out of breach of contract or other provisions of law.

**Clarification:** "Agreeing to the obligation to refrain from an act or to tolerate an act or a situation, or to do an act" has been specifically declared to be a supply of service in para 5(e) of Schedule II to the CGST Act, 2017 if the same constitutes a "supply" within the meaning of the CGST Act.

## **GST AMENDMENTS FOR 2023 EXAMS**

### **a. Agreeing to the obligation to refrain from an act**

Example of activities that would be covered by this part of the expression would include non-compete agreements, where one party agrees not to compete with the other party in a product, service or geographical area against a consideration paid by the other party.

Another example of such activities would be a builder refraining from constructing more than a certain number of floors, even though permitted to do so by the municipal authorities, against a compensation paid by the neighbouring housing project, which wants to protect its sunlight, or an industrial unit refraining from manufacturing activity during certain hours against an agreed compensation paid by a neighbouring school, which wants to avoid noise during those hours.

### **b. Agreeing to the obligation to tolerate an act or a situation**

This would include activities such a shopkeeper allowing a hawker to operate from the common pavement in front of his shop against a monthly payment by the hawker, or an RWA tolerating the use of loud speakers for early morning prayers by a school located in the colony subject to the school paying an agreed sum to the RWA as compensation.

### **c. Agreeing to the obligation to do an act**

This would include the case where an industrial unit agrees to install equipment for zero emission/discharge at the behest of the RWA of a neighbouring residential complex against a consideration paid by such RWA, even though the emission/discharge from the industrial unit was within permissible limits and there was no legal obligation upon the individual unit to do so.

Above three activities must comply with the following conditions:

#### **(1) There must be an expressed or implied agreement or contract must exist**

Above three activities must be under an **“agreement” or a “contract”** (whether express or implied) to fall within the ambit of para 5(e) of Schedule II. In other words, one of the parties to such agreement/contract (the first party) must be under a contractual obligation to either (a) refrain or (b) tolerate or (c) do.

## **GST AMENDMENTS FOR 2023 EXAMS**

Such contractual arrangement must be an **independent arrangement** in its own right. Such arrangement/agreement can take the form of an **independent stand-alone contract or may form part of another contract**. Thus, a person (the first person) can be said to be making a supply by way of refraining from doing something or tolerating some act or situation to another person (the second person) if the first person was under an obligation to do so and then performed accordingly.

Such a contract cannot be imagined or presumed to exist just because there is a flow of money from one party to another. There must be an expressed or implied promise by the recipient of money to agree to do or abstain from doing something in return for the money paid to him.

### **(2) Consideration must flow in return to this contract/agreement**

Some **“consideration”** must flow in return from the other party to this contract/agreement (the second party) to the first party for such (a) refraining or (b) tolerating or (c) doing.

Taxability of some of the transactions has been discussed in detail as under:

### **(A) Liquidated Damages**

It is common for the parties entering into a contract, to specify in the contract itself, the compensation that would be payable in the event of the breach of the contract. Black's Law Dictionary defines 'Liquidated Damages' as *cash compensation agreed to by a signed, written contract for breach of contract, payable to the aggrieved party*.

The taxability or otherwise of liquidated damages is clarified as under:

It is argued that performance is the essence of a contract. **Liquidated damages** cannot be said to be a consideration received for tolerating the breach or non-performance of contract. They are rather payments for not tolerating the breach of contract. Payment of liquidated damages is stipulated in a contract to ensure performance and to deter non-performance, unsatisfactory performance or delayed performance.

Liquidated damages are a measure of loss and damage that the parties agree would arise due to breach of contract. They do not act as a remedy for the breach of contract. They do not restate the aggrieved person.

A contract is entered into for execution and not for its breach. The liquidated damages or penalty are not the desired outcome of the contract. By accepting the liquidated damages, the party aggrieved by

## **GST AMENDMENTS FOR 2023 EXAMS**

breach of contract cannot be said to have permitted or tolerated the deviation or non-fulfilment of the promise by the other party.

Where the amount paid as 'liquidated damages' is an amount paid only to compensate for injury, loss or damage suffered by the aggrieved party due to breach of the contract and there is no agreement, express or implied, by the aggrieved party receiving the liquidated damages, to refrain from or tolerate an act or to do anything for the party paying the liquidated damages, in such cases liquidated damages are merely a flow of money from the party who causes breach of the contract to the party who suffers loss or damage due to such breach. Such payments do not constitute consideration for a supply and are not taxable.

**Examples of such cases are:**

- (1) damages resulting from damage to property, negligence, piracy, unauthorized use of trade name, copyright,
- (2) penalty stipulated in a contract for delayed construction of houses,
- (3) forfeiture of earnest money by a seller in case of breach of 'an agreement to sell' an immovable property by the buyer or by Government or local authority in the event of a successful bidder failing to act after winning the bid, for allotment of natural resources.

**The key in such cases is to consider whether the impugned payments constitute consideration for another independent contract envisaging tolerating an act or situation or refraining from doing any act or situation or simply doing an act. If the answer is yes, then it constitutes a 'supply' irrespective of by what name it is called, otherwise it is not a "supply".**

If the payment is merely an event in the course of the performance of the agreement and it does not represent the 'object', as such, of the contract then it cannot be considered 'consideration'.

On the contrary, consider the following examples:

- (1) A contract may provide that payment by the recipient of goods or services shall be made before a certain date and failure to make payment by the due date shall attract late fee or penalty.
- (2) A contract for transport of passengers may stipulate that the ticket amount shall be partly or wholly forfeited if the passenger does not show up.
- (3) A contract for package tour may stipulate forfeiture of security

## **GST AMENDMENTS FOR 2023 EXAMS**

deposit in the event of cancellation of tour by the customer.

- (4) A contract for lease of movable or immovable property may stipulate that the lessee shall not terminate the lease before a certain period and if he does so he will have to pay certain amount as early termination fee or penalty.
- (5) Some banks similarly charge pre- payment penalty if the borrower wishes to repay the loan before the maturity of the loan period.

In the above examples, amounts paid for acceptance of late payment, early termination of lease or for pre-payment of loan or the amounts forfeited on cancellation of service by the customer as contemplated by the contract as part of commercial terms agreed to by the parties, constitute consideration for the supply of a facility, namely, of acceptance of late payment, early termination of a lease agreement, of prepayment of loan and of making arrangements for the intended supply by the tour operator respectively.

Therefore, such payments, even though they may be referred to as fine or penalty, are actually payments that amount to consideration for supply, and are subject to GST, in cases where such supply is taxable.

Since these supplies are ancillary to the principal supply for which the contract is signed, they shall be eligible to be assessed as the principal supply. Naturally, such payments will not be taxable if the principal supply is exempt.

### **(B) Cheque dishonor fine/ penalty**

The supplier wants payment to be received on time and does not want cheque to be dishonoured. There is never an implied or express offer or willingness on part of the supplier that he would tolerate deposit of an invalid, fake or unworthy instrument of payment against consideration in the form of cheque dishonour fine or penalty.

The fine or penalty that the supplier or a banker imposes, for dishonour of a cheque, is a penalty imposed not for tolerating the act or situation but a fine, or penalty imposed for not tolerating, penalizing and thereby deterring and discouraging such an act or situation. Therefore, cheque dishonor fine or penalty is not a consideration for any service and not taxable.

## **GST AMENDMENTS FOR 2023 EXAMS**

### **(C) Penalty imposed for violation of laws**

Penalty imposed for violation of laws such as traffic violations, or for violation of pollution norms or other laws are also not consideration for any supply received and are not taxable.

Same is the case with fines, penalties imposed by the mining Department of a Central or State Government or a local authority on discovering mining of excess mineral beyond the permissible limit or of mining activities in violation of the mining permit.

Laws are not framed for tolerating their violation. They stipulate penalty not for tolerating violation but for not tolerating, penalizing and deterring such violations. There is no agreement between the Government and the violator specifying that violation would be allowed or permitted against payment of fine or penalty. There cannot be such an agreement as violation of law is never a lawful object or consideration.

In short, fines and penalty chargeable by Government or a local authority imposed for violation of a statute, bye-laws, rules or regulations are not leviable to tax.

### **(D) Forfeiture of salary or payment of bond amount in the event of the employee leaving the employment before the minimum agreed period**

The provisions for forfeiture of salary or recovery of bond amount in the event of the employee leaving the employment before the minimum agreed period are incorporated in the employment contract to discourage non-serious candidates from taking up employment.

The said amounts are recovered by the employer not as a consideration for tolerating the act of such premature quitting of employment but as penalties for dissuading the non-serious employees from taking up employment and to discourage and deter such a situation.

Further, the employee does not get anything in return from the employer against payment of such amounts.

Therefore, such amounts recovered by the employer are not taxable as consideration for the service of agreeing to tolerate an act or a situation.

## **GST AMENDMENTS FOR 2023 EXAMS**

### **(E) Late payment surcharge or fee**

The facility of accepting late payments with interest or late payment fee, fine or penalty is a facility granted by supplier naturally bundled with the main supply. It is not uncommon or unnatural for customers to sometimes miss the last date of payment of electricity, water, telecommunication services etc.

Almost all service providers across the world provide the facility of accepting late payments with late fine or penalty.

Even if this service is described as a service of tolerating the act of late payment, it is an ancillary supply naturally bundled and supplied in conjunction with the principal supply, and therefore should be assessed as the principal supply.

Since it is ancillary to and naturally bundled with the principal supply such as of electricity, water, telecommunication, cooking gas, insurance etc. it should be assessed at the same rate as the principal supply.

However, the same cannot be said of cheque dishonor fine or penalty as discussed earlier.

### **(F) Fixed charges for power**

The price charged for electricity by the power generating companies from the State Electricity Boards (SEBs)/DISCOMS or by SEBs/DISCOMs from individual customers has two components, namely, a minimum fixed charge (or capacity charge) and variable per unit charge.

The fact that the minimum fixed charges remain the same whether electricity is consumed or not or it is scheduled/consumed below the contracted or available capacity or a minimum threshold, does not mean that minimum fixed charge or part of it is a charge for tolerating the act of not scheduling or consuming the minimum the contracted or available capacity or a minimum threshold.

Both the components of the price, the minimum fixed charges/capacity charges and the variable/energy charges are charged for sale of electricity and are thus not taxable as electricity is exempt from GST.

### **(G) Cancellation charges**

It is a common business practice for suppliers of services such as hotel accommodation, tour and travel, transportation etc. to provide the facility of cancellation of the intended supplies within a certain time period on payment of cancellation fee.

## **GST AMENDMENTS FOR 2023 EXAMS**

Cancellation fee can be considered as the charges for the costs involved in making arrangements for the intended supply and the costs involved in cancellation of the supply, such as in cancellation of reserved tickets by the Indian Railways.

Services such as transportation travel and tour constitute a bundle of services. The transportation service, for instance, starts with booking of the ticket for travel and lasts at least till exit of the passenger from the destination terminal.

All services such as making available an online portal or convenient booking counters with basic facilities at the transportation terminal or in the city, to reserve the seats and issue tickets for reserved seats much in advance of the travel, giving preferred seats with or without extra cost, lounge and waiting room facilities at airports, railway stations and bus terminals, provision of basic necessities such as soap and other toiletries in the wash rooms, clean drinking water in the waiting area etc. form part and parcel of the transportation service; they constitute the various elements of passenger transportation service, a composite supply.

The facilitation service of allowing cancellation against payment of cancellation charges is also a natural part of this bundle. It is invariably supplied by all suppliers of passenger transportation service as naturally bundled and in conjunction with the principal supply of transportation in the ordinary course of business.

Therefore, facilitation supply of allowing cancellation of an intended supply against payment of cancellation fee or retention or forfeiture of a part or whole of the consideration or security deposit in such cases should be assessed as the principal supply.

**For example**, cancellation charges of railway tickets for a class would attract GST at the same rate as applicable to the class of travel (i.e., 5% GST on first class or air-conditioned coach ticket and nil for other classes such as second sleeper class). Same is the case for air travel.

Accordingly, the **amount forfeited in the case of non-refundable ticket for air travel or security deposit or earnest money forfeited in case of the customer failing to avail the travel, tour operator or hotel accommodation service or such other intended supplies should be assessed at the same rate as applicable to the service contract, say air transport or tour operator service, or other such services.**

However, as discussed earlier, forfeiture of earnest money by a seller in

## **GST AMENDMENTS FOR 2023 EXAMS**

case of breach of 'an agreement to sell' an immovable property by the buyer or such forfeiture by Government or local authority in the event of a successful bidder failing to act after winning the bid for allotment of natural resources, is a mere flow of money, as the buyer or the successful bidder does not get anything in return for such forfeiture of earnest money. Forfeiture of earnest money is stipulated in such cases not as a consideration for tolerating the breach of contract but as a compensation for the losses suffered and as a penalty for discouraging the non-serious buyers or bidders. Such payments being merely flow of money are not a consideration for any supply and are not taxable.

### **3. No supply of service by the insured to the insurance company in lieu of 'No Claim Bonus' offered by said insurance company to him**

The issue which arose for consideration was whether the deduction on account of 'No Claim Bonus' (NCB) allowed by the insurance company from the insurance premium payable by the insured, can be considered as consideration for the supply provided by the insured to the insurance company, for agreeing to the obligation to refrain from the act of lodging insurance claim during the previous year(s).

As per practice prevailing in the insurance sector, the insurance companies deduct 'No Claim Bonus' from the gross insurance premium amount, when no claim is made by the insured person during the previous insurance period(s). The customer/ insured procures insurance policy to indemnify himself from any loss/ injury as per the terms of the policy and is not under any contractual obligation not to claim insurance claim during any period covered under the policy, in lieu of NCB.

It is, therefore, clarified that there is no supply provided by the insured to the insurance company in form of agreeing to the obligation to refrain from the act of lodging insurance claim during the previous year(s) and NCB cannot be considered as a consideration for any supply provided by the insured to the insurance company.

### **2. Clarification regarding applicability of GST on supply of food inanganwadis and schools**

The issue which arose for consideration was as to whether serving of food in schools under Mid-Day Meals Scheme would be exempt if such supplies are funded by government grants and/or corporate donations.

Entry 66(b)(ii) exempts services provided to an educational institution, by way

of catering, including any mid-day meals scheme sponsored by the Central Government, State Government or Union territory. This entry applies to pre-school and schools.

Accordingly, as per said entry 66<sup>2</sup>, any catering service provided to an educational institution is exempt from GST and it includes mid- day meal service also. The **scope of this entry is thus wide enough to cover any serving of any food to a school** (including pre-school).

An anganwadi, *inter alia*, provides pre-school non-formal education. Hence, anganwadi is covered by the definition of educational institution (as pre- school). Further, it is clarified that services provided to an educational institution by way of serving of food (catering including mid- day meals) is exempt from levy of GST irrespective of its funding from government grants or corporate donations.

Hence, **serving of food to anganwadi shall also be covered by said exemption, whether sponsored by government or through donation from corporates.**

It is important to note that Entry 23A **exempts the access to road or bridge** on payment of annuity, but it does not cover construction of road services<sup>3</sup>.

Thus, it has been clarified that **Entry 23A does not exempt GST on the annuity (deferred payments) paid for construction of roads.**

#### **4. Clarification regarding GST on supply of various services by Central and State Boards**

**Circular No. 151/07/2021 GST dated 17.06.2021** clarifies the taxability of various services supplied by Centre and State Boards such as National Board of Examination (NBE). These services include entrance examination (on charging a fee) for admission to educational institution, input services for conducting such entrance examination for students, accreditation of educational institutions or professional so as to authorise them to provide their respective services.

For example, NBE provides services of conducting entrance examinations for admission to courses including Diplomat National Board (DNB) and Fellow of National Board (FNB), prescribes courses and curricula for PG medical studies, holds examinations and grant degrees, diplomas and other academic distinctions. It carries out all functions as are normally carried out by central or state educational boards and is thus a central educational board. "Central and State Educational Boards" are treated as educational institution for the limited purpose of providing services by way of conduct of examination to the students. Therefore, NBE is an 'educational institution' in so far as it provides services by way of conduct of examination, including any entrance examination, to the students.

It is clarified that:

- (i) GST is exempt on services provided by Central or State Boards (including the boards such as NBE) by way of conduct of examination for the students, including conduct of entrance examination for admission to educational institution under Entry 66(aa)<sup>4</sup>. Therefore, GST

shall not apply to any fee or any amount charged by such Boards for conduct of such examinations including entrance examinations.

- (ii) GST is also exempt on input services relating to admission to, or conduct of examination, such as online testing service, result publication, printing of notification for examination, admit card and questions papers etc, when provided to such Boards under Entry 66(b)(iv).
- (iii) GST is applicable to other services provided by such Boards, namely of providing accreditation to an institution or to a professional (accreditation fee or registration fee such as fee for FMGE screening test) so as to authorise them to provide their respective services.

### **5. Clarification regarding applicability of GST on service supplied by State Government to their undertakings or PSUs by way of guaranteeing loans taken by them**

The issue which arose for consideration was regarding applicability of GST on supply of service by State Government to their undertakings or PSUs by way of guaranteeing loans.

Entry 34A exempts services supplied by Central Government, State Government, Union territory to their undertakings or Public Sector Undertakings (PSUs) by way of guaranteeing the loans taken by such undertakings or PSUs from the banking companies and financial institutions.

Accordingly, it is reiterated that guaranteeing of loans by Central or State Government for their undertaking or PSU is specifically exempt under said entry 34A.

#### **7. Clarification regarding GST on overloading charges at toll plaza**

Entry 23 exempts service by way of access to a road or a bridge on payment of toll charges.

With regard to said entry, following issues have been clarified:

- (i)** Ministry of Road Transport and Highways (MORTH) permitted the overloaded vehicles to ply on the national highways after payment of higher toll charges. It has been clarified<sup>6</sup> that overloading charges at toll plazas would get the same treatment as given to toll charges.
- (ii)** MORTH<sup>7</sup> has directed to collect additional amount from the users of the road to the extent of two times of the fees applicable to that category of vehicle which is not having a valid functional Fastag.

Essentially, the additional amount collected from the users of the road not having a functional Fastag, is in the nature of toll charges and should be treated as additional toll charges. Therefore, it is clarified<sup>8</sup> that additional fee collected in the form of higher toll charges from vehicles not having Fastag is essentially payment of toll for allowing access to roads or bridges to such vehicles and may be given the same treatment as given to toll charges.

<sup>5</sup> This circular was issued prior to amendment in Entry 72 when the exemption was available only when **total expenditure** under the training programme was borne by the Central Government, State Government, Union territory administration.

However, as seen earlier in this chapter, Entry 72 has subsequently been amended and now exemption is available even when **75% or more of the total expenditure** under the training programme is borne by the Central Government, State Government, Union territory administration.

Hence, the words "total expenditure" should be read as "75% or more of the total expenditure".

### **8. Clarification regarding renting of vehicles to State Transport Undertakings and Local Authorities**

Entry 22 exempts services by way of **giving on hire** (a) to a state transport undertaking, a motor vehicle meant to carry more than 12 passengers; or (aa) to a local authority, an Electrically Operated vehicle meant to carry more than 12 passengers.

It is clarified that the expression "**giving on hire**" here includes renting of vehicles.

Accordingly, where the said vehicles are rented or given on hire to State Transport Undertakings or Local Authorities, said services are eligible for above exemption irrespective of whether such vehicles are run on routes, timings as decided by the State Transport Undertakings or Local Authorities and under effective control of State Transport Undertakings or Local Authorities which determines the rules of operation or plying of vehicles.

### **9. Clarification regarding applicability of GST on application fee charged for entrance or the fee charged for issuance of eligibility certificate for admission or for issuance of migration certificate by educational institutions**

The issue which arose for consideration was regarding applicability of GST on application fee charged for entrance or the fee charged for issuance of eligibility certificate for admission or for issuance of migration certificate by educational institutions.

In this regard, it is stated that educational services supplied by educational institutions to its students are exempt from GST vide Entry 66, relevant portion of which reads as under-

Services provided –

- (a) by an educational institution to its students, faculty and staff;
- (aa) by an educational institution by way of conduct of entrance examination against consideration in the form of entrance fee.

Therefore, it can be seen that all services supplied by an 'educational institution' to its students are exempt from GST. Consideration charged by the educational institutes by way of entrance fee for conduct of entrance

examination is also exempt.

The exemption is wide enough to cover the amount or fee charged for admission or entrance, or amount charged for application fee for entrance, or the fee charged from prospective students for issuance of eligibility certificate to them in the process of their entrance/admission to the educational institution.

Services supplied by an educational institution by way of issuance of migration certificate to the leaving or ex-students are also covered by the exemption.

Accordingly, such activities of educational institutions are also exempt.

### **10. Clarification regarding applicability of GST on transport of minerals from mining pit head to railway siding, beneficiation plant etc., by vehicles deployed with driver for a specific duration of time**

The issue which arose for consideration was whether transport of minerals within a mining area, say from mining pit head to railway siding, beneficiation plant etc., by vehicles deployed with driver for a specific duration of time would be covered under Entry 18 which exempts transport of goods by road except by a GTA.

Usually in such cases the vehicles such as tippers, dumpers, loader, trucks etc., are given on hire to the mining lease operator. Expenses for fuel are generally borne by the recipient of service. The vehicles with driver are at the disposal of the mining lease operator for transport of minerals within the mine area (mining pit to railway siding, beneficiation plant etc.) as per his requirement during the period of contract.

Such services are nothing but "rental services of transport vehicles with operator". The person who takes the vehicle on rent defines how and when the vehicles will be operated, determines schedules, routes and other operational considerations.

The person who gives the vehicles on rent with operator cannot be said to be supplying the service by way of transport of goods.

Accordingly, it is clarified that such renting of trucks and other freight vehicles with driver for a period of time is a service of renting of transport vehicles with operator and not service of transportation of goods by road. Consequently, it is not eligible for exemption under Entry 18. ***[Circular No. 177/09/2022 GST dated 03.08.2022]***

### **11. Clarification regarding GST on payment of honorarium to the Guest Anchors**

The circular clarifies the applicability of GST on honorarium paid to Guest Anchors. Sansad TV and other TV channels invite guest anchors to participate in their shows and pay remuneration to them in the form of honorarium.

It is clarified that supply of all goods & services are taxable unless exempt or declared as 'neither a supply of goods nor a supply of service'. **Services provided by the guest anchors in lieu of honorarium attract GST liability.** However, guest anchors whose aggregate turnover in a financial year does not exceed ₹ 20 lakh (₹ 10 lakh in case of specified Special Category States) shall not be liable to take registration and pay GST.

### **12. Clarification regarding applicability of GST on services in form of ART/ IVF**

The issue which arose for consideration was whether GST is applicable on services by way of Assisted Reproductive Technology (ART) procedures such as In vitro fertilization (IVF).

Health care services provided by a clinical establishment, an authorized medical practitioner or para-medics are exempt vide Entry 74.

As per the definition of health care services, it means any service by way of diagnosis or treatment or care for illness, injury, deformity, abnormality or pregnancy in any recognised system of medicines in India and includes services by way of transportation of the patient to and from a clinical establishment, but does not include hair transplant or cosmetic or plasticsurgery, except when undertaken to restore or to reconstruct anatomy or functions of body affected due to congenital defects, developmental abnormalities, injury or trauma.

**Since, the abnormality/disease/ailment of infertility is treated using ART procedure such as IVF, it is clarified that services by way of IVF are also covered under the definition of health care services.**

### **13. Clarification regarding applicability of GST on sale of land after levelling, laying down of drainage lines etc.**

The circular clarifies applicability of GST on sale of land after levelling, laying down of drainage lines etc.

As per Para 5 of Schedule III of the CGST Act, 2017, **'sale of land' is neither a supply of goods nor a supply of services.** Therefore, the sale of land does not attract GST.

Land may be sold either as it is or after some development such as levelling, laying down of drainage lines, water lines, electricity lines, etc. It is clarified that sale of such developed land is also sale of land and is covered by Para 5 of Schedule III and accordingly, does not attract GST.

However, it may be noted that **any service provided for development of land, like levelling, laying of drainage lines (as may be received by developers) shall attract GST at applicable rate for such services.**

### **14. Clarification regarding hiring of vehicles by firms for transportation of their employees to and from work**

The issue which arose for consideration was as to whether the engagement of non-air conditioned contract carriages by firms for transportation of their employees to and from work is exempt under entry 15(b).

Entry 15(b) exempts transport of passengers, with or without accompanied belongings, by non-air conditioned contract carriage, other than radio taxi, for transport of passengers, excluding tourism, conducted tour, charter or hire.

The said exemption would apply to passenger transportation services by **non-air conditioned contract carriages where transportation takes place over pre-determined route on a pre-determined schedule.** The **exemption shall not be applicable** where contract carriage is hired for a period of time, during which the contract carriage is at the disposal of the service recipient and the recipient is thus free to decide the manner of usage (route and schedule) subject to conditions of agreement entered into with the service provider.

### **15. Clarification regarding applicability of GST on tickets of private ferry used for passenger transportation**

The circular clarifies the applicability of GST on private ferry tickets. For instance, private ferries are used as means of transport from one island to another in Andaman and Nicobar Islands.

As per Entry 17(d), transportation of passengers by public transport, other than predominantly for tourism purpose, in a vessel between places located in India is exempted.

It is clarified that this exemption would apply to tickets purchased for transportation from one point to another irrespective of whether the ferry is owned or operated by a private sector enterprise or by a PSU/government.

It is further clarified that, the **expression 'public transport' used in the exemption notification only means that the transport should be open to public.** It can be privately or publicly owned. Only exclusion is on transportation which is predominantly for tourism, such as services which may combine with transportation, sightseeing, food and beverages, music, accommodation such as in shikara, cruise etc.

The issue which arose for clarification is whether GST is payable on accommodation services supplied by Air Force Mess to its personnel.

All services supplied by Central Government, State Government, Union Territory or local authority to any person other than business entities (barring a few specified services such as services of postal department, transportation of goods and passengers etc.) are exempt from GST vide Entry 6. Therefore, it is hereby clarified that accommodation services provided by Air Force Mess and other similar messes, such as, Army mess, Navy mess, Paramilitary and Police forces mess to their personnel or any person other than a business entity are covered by Entry 6 provided the services supplied by such messes qualify to be considered as services supplied by Central Government, State Government, Union Territory or local authority.

# **TIME AND VALUE OF SUPPLY**

1. **No Claim Bonus permissible as deduction under section 15(3)(a) for the purpose of calculation of value of supply of the insurance services provided by insurance company to insured**

The issue which arose for clarification was whether 'No Claim Bonus' (NCB) provided by the insurance company to the insured can be considered as an admissible discount for the purpose of determination of value of supply of insurance service provided by the insurance company to the insured.

As per section 15(3)(a), value of supply shall not include any discount which is given before or at the time of supply if such discount has been duly recorded in the invoice issued in respect of such supply.

The insurance companies make the disclosure of the fact of availability of discount in form of NCB, subject to certain conditions, to the insured in the insurance policy document itself and also provide the details of the NCB in the invoices also. The pre-disclosure of NCB amount in the policy documents and specific mention of the discount in form of NCB in the invoice is in consonance with the conditions laid down for deduction of discount from the value of supply under section 15(3)(a).

It is, therefore, clarified that NCB is a permissible deduction under section 15(3)(a) for the purpose of calculation of value of supply of the insurance services provided by the insurance company to the insured.

Accordingly, where the deduction on account of NCB is provided in the invoice issued by the insurer to the insured, GST shall be leviable on actual insurance premium amount, payable by the policy holders to the insurer, after deduction of NCB mentioned on the invoice.

# **INPUT TAX CREDIT**

1. **ITC can be availed by the recipients only if, *inter alia*, (i) the suppliers have uploaded the relevant invoices/debit notes in their Form GSTR-1/ IFF and such details have been communicated to the recipients in Form GSTR-2B and (ii) the details of ITC in respect of the said supply communicated under section 38 has not been restricted [Section 16(2) and rule 36(4) amended]**

**With effect from 01.01.2022**, a new clause (aa) has been added to section 16(2) by the **Finance Act, 2021** to stipulate a new condition for availment of ITC. It provides that input tax credit in respect of any supply of goods or services or both is available to a registered person only if **the details of the invoice/debit note in respect of said supply has been furnished by the supplier in the statement of outward supplies (Form GSTR-1) and such details have been communicated to the recipient of such invoice/debit note in the manner specified under section 37.**

Consequently, **with effect from 01.01.2022**, rule 36(4) has been substituted to give effect to aforesaid amendment. Substituted rule 36(4) reads as follows:

No input tax credit shall be availed by a registered person in respect of invoices or debit notes the details of which are required to be furnished under section 37(1) unless,-

- (a) the details of such invoices or debit notes have been furnished by the supplier in the statement of outward supplies in Form GSTR-1 or using the invoice furnishing facility (IFF); and
- (b) the details of ***input tax credit in respect of*** such invoices or debit notes have been communicated to the registered person in Form GSTR- 2B under rule 60(7).

Thus, ITC can now be taken only for those invoices/debit notes whose details are reflected in Form GSTR-2B i.e only when the respective suppliers (vendors) have filed the details of such invoices in their Form GSTR-1<sup>10</sup>.

Subsequently, **with effect from 01.10.2022**, a new clause (ba) has been added to section 16(2) by the **Finance Act, 2022** to stipulate another new condition for availment of ITC. It provides that input tax credit in respect of any supply of goods or services or both is available to a registered person only **if the details of input tax credit in respect of the said supply communicated to such**

### **2. Time limit for availment of ITC by a registered person in respect of any invoice/debit note pertaining to a FY extended upto 30<sup>th</sup> November of the following FY [Section 16(4) amended]**

Earlier, section 16(4) provided as follows:

A registered person shall not be entitled to take input tax credit in respect of any invoice or debit note for supply of goods or services or both after the **due date of furnishing of the return under section 39 for the month of September** following the end of financial year to which such invoice or debit note pertains or furnishing of the relevant annual return, whichever is earlier.

**With effect from 01.10.2022**, section 16(4) has been amended by the Finance Act, 2022. Amended section 16(4) reads as follows:

A registered person shall not be entitled to take ITC in respect of any invoice or debit note for supply of goods or services or both after the **30<sup>th</sup> day of November** following the end of financial year to which such invoice or debit note pertains or furnishing of the relevant annual return, whichever is earlier.

<sup>9</sup> These words have been inserted subsequently vide Notification No. 19/2022 CT dated 28.09.2022 and said amendment is effective from 01.10.2022.

<sup>10</sup> Earlier, ITC in respect of invoices/debit notes not uploaded by the suppliers in their Form GSTR-1s/IFF, could be availed by recipient upto 5% of the eligible credit available in respect of invoices/debit notes the details of which had been furnished by the suppliers in their Form GSTR-1s/ using IFF.

## **GST AMENDMENTS FOR 2023 EXAMS**

### **3. Date of issuance of debit note to determine the relevant financial year for the purpose of section 16(4)**

Section 16(4) was earlier amended (with effect from 01.01.2021) vide the Finance Act, 2020, so as to delink the date of issuance of debit note from the date of issuance of the underlying invoice for purposes of availing ITC. *Students may refer section 16(4) as given above.*

A doubt arose as to which of the following dates are relevant to determine the 'financial year' for the purpose of section 16(4) in terms of the provisions amended:

- (a) date of issuance of debit note, or
- (b) date of issuance of underlying invoice.

In this regard, **Circular No. 160/16/2021 GST dated 20.09.2021** has clarified that with effect from 01.01.2021, in case of debit notes, the date of issuance of debit note (not the date of underlying invoice) shall determine the relevant financial year for the purpose of section 16(4).

A debit note dated 07.07.2021 is issued in respect of the original invoice dated 16.03.2021. As the invoice pertains to F.Y. 2020-21, the relevant financial year for availment of ITC in respect of the said invoice in terms of section 16(4) shall be FY 2020-21.

However, as the debit note has been issued in FY 2021-22, the relevant financial year for availment of ITC in respect of the said debit note shall be FY 2021-22 in terms of amended provision of section 16(4).

### **4. Availment of ITC not blocked in case of leasing, other than leasing of motor vehicles, vessels and aircrafts**

**Circular No. 172/04/2022 GST dated 06.07.2022** clarifies the issue as to whether provisions of section 17(5)(b)(i) bar the availment of ITC on input services by way of "leasing of motor vehicles, vessels or aircraft" or whether ITC on input services by way of any type of leasing is barred under the said provisions.

Section 17(5)(b)(i) provides that ITC shall not be available in respect of following supply of goods or services or both—

## **GST AMENDMENTS FOR 2023 EXAMS**

*“(i) food and beverages, outdoor catering, beauty treatment, health services, cosmetic and plastic surgery, **leasing, renting or hiring of motor vehicles, vessels or aircraft** referred to in clause (a) or clause (aa) except when used for the purposes specified therein, life insurance and health insurance:*

*Provided that the input tax credit in respect of such goods or services or both shall be available where an inward supply of such goods or services or both is used by a registered person for making an outward taxable supply of the same category of goods or services or both or as an element of a taxable composite or mixed supply.”*

It is clarified that **“leasing” referred herein refers to leasing of motor vehicles, vessels and aircrafts only and not to leasing of any other items.**

Accordingly, availment of ITC is not barred in case of leasing, other than leasing of motor vehicles, vessels and aircrafts.

### **5. Proviso after section 17(5)(b)(iii) applies to entire section 17(5)(b)**

Section 17(5)(b) provides that ITC shall not be available in respect of following supply of goods or services or both—

(i) *food and beverages, outdoor catering, beauty treatment, health services, cosmetic and plastic surgery, leasing, renting or hiring of motor vehicles, vessels or aircraft referred to in clause (a) or clause (aa) except when used for the purposes specified therein, life insurance and health insurance:*

*Provided that the input tax credit in respect of such goods or services or both shall be available where an inward supply of such goods or services or both is used by a registered person for making an outward taxable supply of the same category of goods or services or both or as an element of a taxable composite or mixed supply;*

(ii) *membership of a club, health and fitness centre; and*

(iii) *travel benefits extended to employees on vacation such as leave or home travel concession:*

***Provided that the input tax credit in respect of such goods or services or both shall be available, where it is obligatory for an employer to provide the same to its employees under any law for the time being in force.***

**Circular No. 172/04/2022 GST dated 06.07.2022** clarifies that the proviso after sub-clause (iii) [highlighted above] is applicable to the whole of section 17(5)(b).

## **GST AMENDMENTS FOR 2023 EXAMS**

### **6. Removal of reference to Form GSTR-2 from rules 36(2), 42 and 43**

Pursuant to the amendment made in section 38 [discussed subsequently in Chapter 13 – Returns] with regard to removal of Form GSTR-2 and doing away with two-way communication process, **with effect from 01.10.2022**, rule 36(2)<sup>12</sup> has been amended to remove the reference to Form GSTR-2 therefrom. Further, it has been provided that the details of invoices or debit notes for ITC availment shall be communicated in Form GSTR-2B.

**Extract of amended rule 36(2) reads as follows:**

Input tax credit shall be availed by a registered person only if all the applicable particulars as specified in the provisions of Chapter VI<sup>13</sup> are contained in the said document, ~~and the relevant information, as contained in the said document, is furnished in FORM GSTR-2 by such person.~~

**[Notification No. 19/2022 CT dated 28.09.2022]**

### **7. In case of non-payment of the value of supply plus tax in respect of an inward supply within 180 days, ITC so availed need to be paid alongwith interest under section 50 while filing GSTR-3B. Only proportionate reversal of ITC required in case of part payment of the value of supply plus tax in respect of an inward supply within 180 days [Rule 37 substituted]**

Rule 37 provides for reversal of ITC in case of non-payment of consideration. Sub-rule (1) and (2) have been substituted and sub-rule (3) has been omitted, **with effect from 01.10.2022**. Consequently, the amended position of law is as follows:

The registered person must pay to the supplier, the value of the goods and/or services along with the tax within 180 days from the date of issue of invoice [Second proviso to section 16(2)].

However, where a registered person, who has availed of ITC on any inward supply fails to pay to the supplier thereof, the amount towards the value of such supply **whether wholly or partly** along with the tax payable thereon, within the time limit specified in the second proviso to section 16(2) [viz. 180 days from the date of issue of invoice], **shall pay or reverse an amount equal**

**to the ITC availed in respect of such supply *proportionate to the amount not paid to the supplier* along with interest payable thereon under section 50, while furnishing the return in Form GSTR-3B for the tax period** immediately following the period of 180 days from the date of the issue of the invoice.

### **Exceptions**

This condition of payment of value of supply plus tax within 180 days does not apply in the following situations:

- (a) Supplies on which tax is payable under reverse charge
- (b) Deemed supplies without consideration
- (c) Additions made to the value of supplies on account of supplier's liability, in relation to such supplies, being incurred by the recipient of the supply

Under situations given in points (b) & (c), the value of supply is deemed to have been paid.

### **8. 50% of inadmissible ITC to be reversed in GSTR-3B by a banking company or financial institution [Rule 38 amended]**

**With effect from 01.10.2022**, rule 38 providing for claim of credit by a banking company or a financial institution has been amended to remove the reference to Form GSTR-2 therefrom. Further, clause (d) of rule 38 has also been omitted.

**Amended rule 38** reads as follows:

A banking company or a financial institution, including a non-banking financial company, engaged in the supply of services by way of accepting deposits or extending loans or advances that chooses not to comply with the provisions of sub-section (2) of section 17, in accordance with the option permitted under sub-section (4) of that section, shall follow the following procedure, namely,-

- (a) the said company or institution shall not avail the credit of,-
  - (i) the tax paid on inputs and input services that are used for non-business purposes; and

## **GST AMENDMENTS FOR 2023 EXAMS**

- (ii) the credit attributable to the supplies specified in sub-section (5) of section 17, ***in GSTR-2***
- (b) the said company or institution shall avail the credit of tax paid on inputs and input services referred to in the second proviso to sub-section (4) of section 17 and not covered under clause (a);
- (c) 50% of the remaining amount of input tax shall be the input tax credit admissible to the company or the institution ***and the balance amount of input tax credit shall be reversed in Form GSTR-3B<sup>14</sup>***;
- (d) ~~*the amount referred to in clauses (b) and (c) shall, subject to the provisions of sections 41, 42 and 43, be credited to the electronic credit ledger of the said company or the institution.*~~

### **9. Reversal of input tax credit in the case of non-payment of tax by the supplier and re-availment thereof [New rule 37A]**

Newly inserted rule 37A covers a situation where a registered person (recipient) avails ITC in GSTR-3B for a tax period in respect of such invoice/debit note, the details of which have been furnished by its supplier in the statement of outward supplies (in Form GSTR-1/using IFF). However, supplier does not furnish return in Form GSTR-3B for the tax period corresponding to the said statement of outward supplies till 30<sup>th</sup> September following the end of FY in which the ITC in respect of such invoice/ debit note has been availed.

In such a case, the said amount of ITC shall be reversed by the said recipient, while furnishing a return in Form GSTR-3B on or before 30<sup>th</sup> November following the end of such FY during which such ITC has been availed.

However, where the said amount of ITC is not so reversed by recipient, such amount shall be payable by the said person along with interest thereon under section 50.

Further, where the said supplier subsequently furnishes the return in Form GSTR-3B for the said tax period, the said registered person may re-avail the amount of such credit in the return in Form GSTR-3B for a tax period thereafter.

### **3. Deemed revocation of suspended GST registration upon furnishing of all the pending returns by the taxpayer [Rule 21A(4) amended]**

As seen above, the proper officer may cancel registration in case where (i) a composition taxpayer has not furnished **the return for a financial year beyond 3 months from the due date of furnishing the said return** or (ii) any registered person, other than composition taxpayer, has not furnished returns for **such continuous tax period as may be prescribed** [Clauses (b) & (c) of section 29(2)].

Rule 21A contains provisions relating to suspension of registration and its sub-rule (4) provides for deemed revocation of suspended GST registration by the proper officer upon completion of the proceedings under rule 22<sup>16</sup>.

Said rule has been amended to provide that there will be deemed revocation of suspended GST registration upon furnishing of pending GST returns, where GST registration was suspended due to non-filing of GST return for a financial year beyond 3 months from the due date of furnishing the said return by a composition taxpayer or returns for such continuous tax period as may be prescribed by registered persons (other than composition taxpayer) **subject to the condition that the registration has not been cancelled by the proper officer under rule 22.**

#### **Amended rule 21A(4) provides as follows:**

The suspension of registration under sub-rule (1) or sub-rule (2) or sub-rule (2A) shall be deemed to be revoked upon completion of the proceedings by the proper officer under rule 22 and such revocation shall be effective from the date on which the suspension had come into effect.

However, the suspension of registration under this rule may be revoked by

#### **4. Registration liable to be cancelled if monthly return filer fails to file return continuously for 6 months or a person opting for QRMP fails to file return for 2 tax periods [Clauses (h) & (i) inserted to rule 21]**

Rule 21 contains prescribed contraventions which make a registered person liable to cancellation of registration.

**With effect from 01.10.2022**, two more contraventions have also been prescribed by inserting clauses (h) & (i) to rule 21, which provide that the registration granted to a person is liable to be cancelled, if the said person -

- (h)** being a registered person required to file return under section 39(1) for each month or part thereof (i.e. **monthly return filer**), has **not furnished returns** for a **continuous period of 6 months**.
- (i)** being a registered person required to file return under proviso to section 39(1) for each quarter or part thereof (i.e. **quarterly return filer**), has **not furnished returns** for a **continuous period of 2 tax periods**.

***[Notification No. 19/2022 CT dated 28.09.2022]***

#### **5. Amendments relating to procedure for registration**

Rule 8 and rule 9 have been amended to carry out the following amendments:

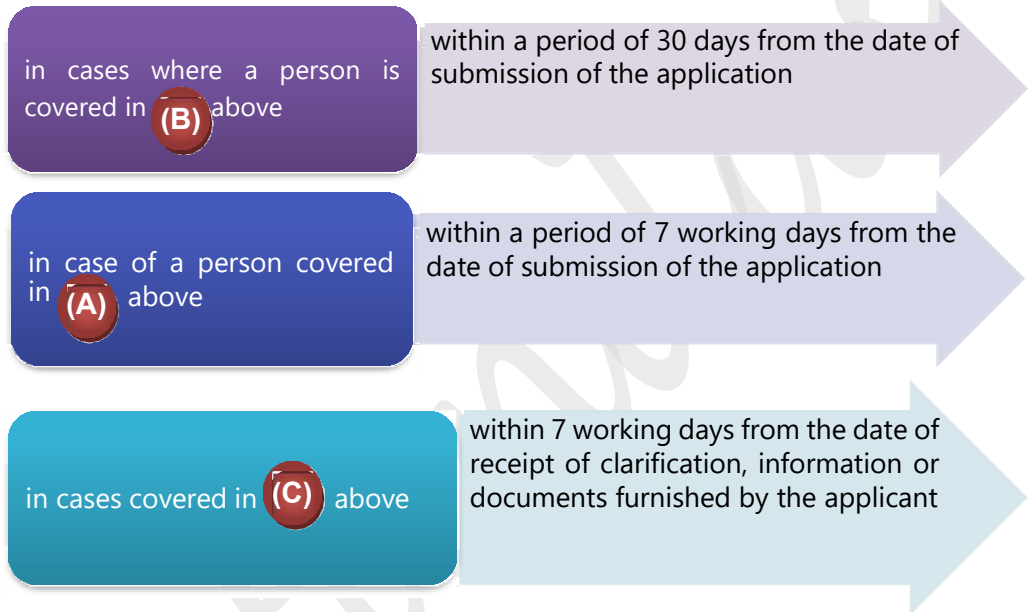

- (i) PAN-linked mobile number and e-mail address (fetched from CBDT database) will be captured and recorded in Form GST REG-01 and OTP-based verification will be conducted at the time of registration on such PAN-linked mobile number and email address to restrict misuse of PAN of a person by unscrupulous elements without knowledge of the said PAN-holder.
- (ii) A pilot project is to be conducted in State of Gujarat for Biometric- based Aadhaar authentication and risk-based physical verification of

registration applicants. Amendment in rule 8 and rule 9 have been made to facilitate the same. This will help in tackling the menace of fake and fraudulent registrations.

### ★ Deemed Approval of Application

If the proper officer fails to take any action in the following cases within the stipulated time, the application for grant of registration shall be deemed to have been approved-

Thus, in case of successful authentication of Aadhaar and no SCN being issued, registration will be deemed to be approved within 7 working days. However, if Aadhaar authentication is not opted for/ Aadhaar authentication fails in validation/ PO deems it fit to carry out site verification and no SCN is issued, registration will be deemed to be approved within 30 days by tax official.

Tax Officer can issue SCN within 7 working days, for grant of registration, in cases of successful Aadhaar authentication. However, in cases when taxpayer do not opt to provide Aadhaar/when Aadhaar authentication fails/ PO deems it fit to carry out site verification, he can issue SCN upto 30 days. In both cases, applicants can submit their reply within 7 working days from issue of SCN.

## Aadhaar authentication

### [Section 25(6A), (6B), (6C) & (6D) read with rules 8, 9, 10B and 25]

As seen above, there's a simplified registration procedure under GST. However, this easy registration procedure was unduly misused by fly-by-night operators. Thus, in an endeavor to curb/check such operators and to increase compliance, aadhaar e-KYC based registration has been introduced under the GST law. Aadhaar authentication is mandatory for the new applicants (whether an individual applicant or an applicant other than individual) in order to be eligible for grant of registration. Aadhaar Authentication process has been introduced, for the persons applying for GST registration as normal taxpayer/ composition/ casual taxable person/ Input Service Distributor (ISD)/ SEZ Developer/ SEZ Unit etc, in Form GST REG 01.

Existing registrants (those who are already registered under GST) are also required to undergo aadhaar authentication.

### **How aadhaar authentication is done?**

#### **New registrants**

While filing the application for registration, the applicant gets an option as to whether he wants to opt for Aadhaar authentication or not. If he opts 'Yes' for Aadhaar authentication, GST system sends "authentication link" on the mobile numbers and email ids (mentioned in the registration application) of promotor/partner, and primary authorized signatory which are selected by the applicant<sup>17</sup>.

On clicking the verification link, a window for Aadhaar authentication opens where they enter the Aadhaar Number and the OTP received by them on the mobile number and email id linked with Aadhaar.

Once Aadhaar authentication has been successfully validated, his application will be deemed to be approved within 7 working days and the registration application submitted by him will not be marked for mandatory site visit, unless the tax official raises a show cause notice within stipulated time.

However, in case the applicant does not opt for Aadhaar authentication while applying for registration or where his Aadhaar authentication fails in validation, registration application will not be deemed approved within 7 working days and it will be marked for mandatory site visit and approval thereafter, by the

tax official. Registration application will get deemed approved after 30 calendar days, if tax official doesn't take any action.

If tax official raises SCN within 30 calendar days, then applicant has 7 working days to reply to it. Tax official can take further action on that reply within 7 working days. If tax official doesn't take any action after receipt of applicant's reply within next 7 working days, his application will get deemed approved.

### **Existing registrants**

All the regular taxpayers and composition taxpayer are required to get Aadhaar authenticated for existing GST registration. An existing taxpayer can get himself Aadhaar authenticated on GST portal using either Aadhaar authentication link or uploading E-KYC documents<sup>18</sup>.

#### **A. Persons required to undergo aadhaar authentication**

As per section 25(6A), (6B) and (6C), following persons are required to undergo aadhaar authentication:

##### **1. New applicant**

Every (i) individual applicant or (ii) an applicant, other than an individual, shall undergo authentication/furnish proof of possession of Aadhaar number, in the manner prescribed in rule 8<sup>19</sup>. Rule 8(4A) provides that where an applicant opts for authentication of Aadhaar number, he shall, while submitting an application for registration, undergo authentication of Aadhaar number. Said authentication is required to be eligible for grant of registration.

Date of submission of the application in such cases shall be earlier of:

- (a)** the date of authentication of the Aadhaar number, or

## B. Where Aadhaar number is not assigned

### 1. In case of new applicant

If an aadhaar number is not assigned to a new applicant – either (i) an individual or (ii) person/class of persons (other than individual), such individual/person/class of persons shall be offered alternate and viable means of identification in the manner specified in rule 9<sup>21</sup>.

Proviso to rule 9(1) provides that where

- (i) a person fails to undergo authentication of aadhaar number or does not opt for authentication of Aadhaar number, or
- (ii) a person, who has undergone authentication of Aadhaar number, is identified on the common portal, based on data analysis and risk parameters (presently in case pilot project in Gujarat), for carrying out physical verification of places of business**
- (iii) the proper officer, with the approval of an officer authorised by the Commissioner not below the rank of Assistant Commissioner, deems it fit to carry out physical verification of places of business

the registration shall be granted within 30 days of submission of application only after physical verification of the principal place of business in the presence of the said person, in the prescribed manner (specified in rule 25) and verification of such documents as the proper officer may deem fit.

Where the application submitted under rule 8 is found to be deficient, either in terms of any information or any document required to be furnished under the said rule, or where the proper officer requires any clarification with regard to any information provided in the application or documents furnished therewith, he may issue a notice to the applicant electronically in within a period

of 7 working days from the date of submission of the application and the applicant shall furnish such clarification, information or documents electronically within a period of 7 working days from the date of the receipt of such notice [Rule 9(2)].

However, in such cases, i.e. where:

- (i) a person fails to undergo Aadhaar authentication/does not opt for Aadhaar authentication or
- (ii) a person, who has undergone authentication of Aadhaar number, is identified on the common portal, based on data analysis and risk parameters (presently in case pilot project in Gujarat), for carrying out physical verification of places of business; or**
- (iii) PO deems it fit to carry out site verification,

the notice (in prescribed form) seeking clarifications/ information/ documents from the applicant may be issued by the proper officer not later than 30 days from the submission of the application for registration [Proviso to rule 9(2)].

## 2. In case of an already registered persons [Rule 10B]

If an Aadhaar number is not assigned to an existing registered person, such person shall be offered alternate and viable means of identification in the prescribed manner<sup>22</sup>. **Such manner has been prescribed as follows:**

**If Aadhaar number has not been assigned to the person required to undergo authentication of the Aadhaar number, such person shall furnish the following identification documents, namely: –**

- (a) **his/ her Aadhaar Enrolment ID slip; and**
- (b) **(i) Bank passbook with photograph; or**

**(iii) Passport; or**

**(iv) Driving license issued by the Licensing Authority**

**However, once Aadhaar number is allotted to such person, he shall undergo the authentication of Aadhaar number within a period of 30 days of the allotment of the Aadhaar number.**

In case of failure to undergo aadhaar authentication/furnish proof of possession of Aadhaar number/furnish alternate and viable means of identification, registration allotted to such person shall be deemed to be invalid and the other provisions of CGST Act shall apply as if such person does not have a registration<sup>23</sup>.

**C. Persons/class of persons exempt from aadhaar authentication**

Section 25(6D) stipulates that above provisions shall not apply to such person or class of persons or any State or Union territory or part thereof, as may be notified.

Following persons have been notified in this regard<sup>24</sup>:

- A person who is not a citizen of India
- Department or establishment of State Government or Central Government
- Local authority
- Statutory body
- Public Sector Undertaking
- A person applying for Unique Identity Number under section 25(9)

# **TAX INVOICE, CREDIT AND DEBIT NOTES & E-WAY BILL**

1. **E-invoicing mandatory for all registered businesses with aggregate turnover in any preceding financial year from 2017-18 onwards greater than ₹ 10 crore**

With effect from 01.10.2020, e-invoicing was made mandatory for all registered businesses with an aggregate turnover (based on PAN) in any preceding financial year from 2017-18 onwards greater than ₹ 500 crore for issue of all B2B invoices. Since then, the threshold limit of aggregate turnover for issuing the e-invoices is being progressively reduced.

**With effect from 01.10.2022**, such limit has been reduced to ₹ 10 crore. Thus, e-invoicing has been made mandatory for all registered businesses with an aggregate turnover in any preceding financial year from 2017-18 onwards greater than ₹ 10 crore<sup>25</sup>.

***[Notification No. 17/2022 CT dated 01.08.2022]***

---

<sup>25</sup> Prior to 01.04.2022, threshold limit of aggregate turnover for e-invoicing was ₹50 crore. Notification No. 01/2022 CT dated 24.02.2022 had reduced such limit to ₹20 crore with effect from 01.04.2022. Between 01.04.2022 and 30.09.2022, threshold limit for e-invoicing was ₹20 crores.

## 2. Government Department and a local authority exempted from e-invoicing requirement.

As seen above, e-invoicing is mandatory for all registered businesses with an aggregate turnover in any preceding financial year from 2017-18 onwards greater than ₹ 10 crore. However, following entities are exempt from the mandatory requirement of e-invoicing:-

- ✓ Special Economic Zone units
- ✓ Insurer or banking company or financial institution including NBFC
- ✓ GTA supplying services in relation to transportation of goods by road in a goods carriage
- ✓ Supplier of passenger transportation service
- ✓ Person supplying services by way of admission to exhibition of cinematograph films in multiplex screens.

With effect from 01.06.2021, a Government Department and a local authority also have been exempted from the mandatory requirement of e-invoicing even if their aggregate turnover in any previous financial year from 2017-18 onwards exceeds ₹ 10 crore.

Further, such taxpayers are now required to provide a **declaration on the tax invoice** stating that though their aggregate turnover exceeds the notified aggregate turnover for e-invoicing, they are not required to prepare an e-invoice

This is done by inserting clause (s) to rule 46. Rule 46 prescribes the particulars of a tax invoice. Newly inserted clause (s) to said rule, with effect from 05.07.2022, provides that tax invoice shall have:

***a declaration as below, that invoice is not required to be issued in the manner specified under rule 48(4), in all cases where an invoice is issued, other than in the manner so specified under the said rule 48(4), by the taxpayer having aggregate turnover in any preceding financial year from 2017-18 onwards more than the aggregate turnover as notified under rule 48(4) [presently its ₹ 10 crore]-***

***"I/We hereby declare that though our aggregate turnover in any preceding financial year from 2017-18 onwards is more than the aggregate turnover notified under sub-rule (4) of rule 48, we are not required to prepare an invoice in terms of the provisions of the said sub- rule."***

### **3. Clarification in respect of applicability of Dynamic Quick Response (QR)code**

With effect from 01.12.2020, all **B2C invoices** issued by a registered person whose **aggregate turnover** in any preceding financial year from 2017-18 onwards **exceeds ₹ 500 crores** are **mandatorily required to have a DynamicQR code** *[Notification No. 14/2020 CT dated 21.03.2020].*

In this regard, ***Circular No. 156/12/2021 GST dated 21.06.2021*** and ***Circular No. 165/21/2021 GST dated 17.11.2021*** have clarified that:

#### **A. Dynamic QR Code required to be provided on invoice issued to a person having a UIN**

Any person who has obtained a Unique Identity Number (UIN), is not a "registered person" as per the definition of 'registered person' provided under section 2(94). Therefore, any invoice, issued to such person having a UIN, shall be considered as **invoice issued for a B2C supply** and shall be required to comply with the requirement of Dynamic QR Code.

#### **B. In some instances of retail sales over the counter, the payment from the customer is received on the payment counter by displaying dynamic QR code on digital display, whereas the invoice, along with invoice number, is generated on the processing system being used by supplier/ merchant after receiving the payment.**

In such cases, it may not be possible for the merchant/ supplier to provide details of invoice number in the dynamic QR code displayed to the customer on payment counter. However, each transaction i.e.

receipt of payment from a customer is having a unique Order ID/ sales reference number, which is linked with the invoice for the said transaction.

The question which arose for consideration is whether in such cases, the order ID/ reference number of such transaction can be provided in the dynamic QR code displayed digitally, instead of invoice number.

It has been clarified that in such cases, the unique order ID/ unique sales reference number, which is uniquely linked to the invoice issued for the said transaction, may be provided in the Dynamic QR Code for digital display, as long as the details of such unique order ID/ sales reference number linkage with the invoice are available on the processing system of the merchant/ supplier and the cross reference of such payment along with unique order ID/ sales reference number are also provided on the invoice.

- C. The purpose of dynamic QR Code is to enable the recipient/ customer to scan and pay the amount to be paid to the merchant/ supplier in respect of the said supply.

When the part-payment for any supply has already been received from the customer/ recipient, either in advance or by adjustment (e.g. using a voucher, discount coupon etc), before the dynamic QR Code is generated, then the dynamic QR code may provide only the remaining amount payable by the customer/ recipient against "invoice value".

The details of total invoice value, along with details/ cross reference of the part payment/ advance/ adjustment done, and the remaining amount to be paid, should be provided on the invoice.

4. [Time limit for issuance of credit notes in respect of any supply made in a FY extended upto 30<sup>th</sup> November of the following FY \[Section 34\(2\) amended\]](#)

**With effect from 01.10.2022**, following amendments have been made by the Finance Act, 2022 in section 34(2):

Existing provisions	Provisions as amended by the Finance Act, 2022
<p>Section 34(2) Any registered person who issues a credit note in relation to a supply of goods or services or both shall declare the details of such credit note in the return for the month during which such credit note has been issued but not later than <i>September</i> following the end of the financial year in which such supply was made, or the date of furnishing of the relevant annual return, whichever is earlier, and the tax liability shall be adjusted in such manner as may be prescribed.</p>	<p><b>Section 34(2)</b> Any registered person who issues a credit note in relation to a supply of goods or services or both shall declare the details of such credit note in the return for the month during which such credit note has been issued but not later than <b><i>the 30<sup>th</sup> day of November</i></b> following the end of the financial year in which such supply was made, or the date of furnishing of the relevant annual return, whichever is earlier, and the tax liability shall be adjusted in such manner as may be prescribed.</p>

5. [In case of issuance of e-invoice, no requirement to carry the physical copy of tax invoice](#)

The question which arose for consideration was whether carrying physical copy of invoice is compulsory during movement of goods in cases where suppliers have issued e-invoices.

It is clarified that **there is no requirement to carry the physical copy of tax invoice in cases where e-invoice has been generated by the supplier.** Whenever e-invoice has been generated, production of the Quick Reference (QR) code having an embedded Invoice Reference Number (IRN) electronically, for verification by the proper officer, would suffice.

**6. Invoice-cum-bill of supply [Rule 46A amended]**

Rule 46A provides that, notwithstanding anything contained in rule 46 or rule 49 or rule 54<sup>26</sup>, a registered person supplying taxable as well as exempted goods or services or both to an unregistered person may issue a single **“invoice-cum-bill of supply”** for all such supplies.

It may be observed in this regard that the non-obstante clause in rule 46A actually removes the obligation on the part of a registered person who is supplying taxable as well as exempted goods or services or both to an unregistered person to include the particulars as prescribed in rule 46 or rule 49 or rule 54, as applicable, while issuing the single “invoice-cum-bill of supply”.

Consequently, rule 46A is amended accordingly to make that obligatory on the part of a registered person, who is supplying taxable as well as exempted goods or services or both to an unregistered person, to include the relevant particulars as prescribed in rule 46 or rule 49 or rule 54, as applicable, while issuing a single “invoice-cum-bill of supply” by inserting following proviso:

The said single “invoice-cum-bill of supply” shall contain the particulars as specified under rule 46 or rule 54, as the case may be, and rule 49.

In terms of *Notification No. 13/2020 CT dated 21.03.2020*, as amended, certain entities/sectors are exempted from mandatory generation of e- invoices as per rule 48(4). The issue which arose for consideration was whether this exemption from mandatory generation of e- invoices is

It is hereby clarified that the said exemption from generation of e-invoices is for the entity as a whole and is not restricted by the nature of supply being made by the said entity.

A banking company providing banking services, may also be involved in making supply of some goods, including bullion. The said banking company is exempted from mandatory issuance of e-invoice in terms of *Notification No. 13/2020 CT dated 21.03.2020*, for all supplies of goods and services and thus, will not be required to issue e-invoice with respect to any supply made by it.

**8. [E-way bill to be generated for transporting imitation jewellery \[Rule 138\(14\) amended\]](#)**

Rule 138(14) illustrates the cases where e-way bill is not required to be generated.

One such case is where jewellery, goldsmiths' and silversmiths' wares and other articles (Chapter 71) are being transported. Thus, jewellery, goldsmiths' and silversmiths' wares and other articles (Chapter 71) can be transported without generating e-way bill.

This provision has been amended to provide that henceforth, e-way bill needs to be generated for transporting imitation jewellery.

**2. Deposit in Electronic Cash Ledger can be made through UPI and IMPS as well. Facility provided on GST portal to transfer any amount available in the electronic cash ledger under CGST Act to the electronic cash ledger for central tax or integrated tax of a distinct person [Rule 87 amended]**

Rule 87(3) lists the modes of making deposit of amount towards tax, interest, penalty, fee or any other amount, in Electronic Cash Ledger. Said rule has been amended to include two additional modes of making the deposits. Now the amount may **also be deposited through Unified payment interface (UPI) or Immediate Payment Services (IMPS) from any bank**, on the GST portal.

**Extract of amended rule 87(3)** is as follows:

The deposit under sub-rule (2) shall be made through any of the following modes, namely:-

- (i) Internet Banking through authorised banks;  
**(ia) Unified Payment Interface (UPI) from any bank;**  
**(ib) Immediate Payment Services (IMPS) from any bank;**
- (ii) Credit card or Debit card through the authorised bank;
- (iii) National Electronic Fund Transfer or Real Time Gross Settlement from any bank; or
- (iv) Over the Counter payment through authorised banks for deposits up to ten thousand rupees per challan per tax period, by cash, cheque or demand draft.

Consequential amendment has been made in rule 87(5).

**Extract of amended rule 87(5)** is as follows:

Where the payment is made by way of National Electronic Fund Transfer or Real Time Gross Settlement, **or Immediate Payment Service** mode from any bank, the mandate form shall be generated along with the challan on the common portal and the same shall be submitted to the bank from where the payment is to be made.

Further, as seen earlier, section 49(10) has been amended by the Finance Act, 2022 to permit the transfer of amount available in electronic cash ledger under the CGST Act of a registered person to the electronic cash ledger under the said Act or the IGST Act of a distinct person.

Consequently, **sub-rule (14) has been inserted to rule 87** to provide a facility on the common portal to transfer any amount of tax, interest, penalty, fee or any other amount available in the electronic cash ledger under CGST Act to the electronic cash ledger for central tax or integrated tax of a distinct person through the prescribed form.

**Newly inserted sub-rule (14) to rule 87** reads as follows:

A registered person may, on the common portal, transfer any amount of tax,

interest, penalty, fee or any other amount available in the electronic cash ledger under the Act to the electronic cash ledger for central tax or integrated tax of a distinct person as specified in sub-section (4) or, as the case may be, sub-section (5) of section 25, in the prescribed form.

However, no such transfer shall be allowed if the said registered person has any unpaid liability in his electronic liability register.

**3. Levy of interest provided on ITC wrongly availed and utilised [Section 50(3) substituted]**

Section 50 provides for interest on delayed payment of tax. Sub-section (3) of the said section has been substituted **retrospectively, with effect from 01.07.2017**, by the Finance Act, 2022.

Existing provisions	Provisions as amended by the Finance Act, 2022
<p>Section 50(3)</p> <p><i>A taxable person who makes an undue or excess claim of input tax credit under sub-section (10) of section 42 or undue or excess reduction in output tax liability under sub-section (10) of section 43, shall pay interest on such undue or excess claim or on such undue or excess reduction, as the case may be, at such rate not exceeding 24%, as may be notified by the Government on the recommendations of the Council.</i></p>	<p><b>Section 50(3)</b></p> <p><b><i>Where the input tax credit has been wrongly availed and utilised, the registered person shall pay interest on such input tax credit wrongly availed and utilised, at such rate not exceeding 24% as may be notified by the Government**, on the recommendations of the Council, and the interest shall be calculated, in such manner as may be prescribed.</i></b></p>

\*\*Rate of interest under section 50(3) is notified vide *Notification No. 13/2017 CT dated 28.06.2017*. Earlier, the rate of interest notified under said section

was 24% per annum<sup>28</sup>. Notification No. 13/2017 CT dated 28.06.2017 has been amended by the Finance Act, 2022 **retrospectively with effect from 01.07.2017**, to reduce the rate of interest under section 50(3) from 24% to 18% per annum.

#### 4. **Manner of calculating interest on delayed payment of tax [New rule 88B]**

In view of the power given by section 50(3) to prescribe the manner of computing the interest on delayed payment, a new rule 88B has been inserted **retrospectively with effect from 01.07.2017** to provide the manner of calculating interest on delayed payment of tax.

**New rule 88B** provides as follows:

In case, where the supplies made during a tax period are declared by the registered person in the return for the said period and the said return is furnished after the due date in accordance with provisions of section 39, except where such return is furnished after commencement of any proceedings under section 73 or section 74 in respect of the said period, the interest on tax payable in respect of such supplies shall be calculated on the portion of tax which is paid by debiting the electronic cash ledger, for the period of delay in filing the said return beyond the due date, at such rate as may be notified under section 50(1).

In all other cases, where interest is payable under section 50(1), the interest shall be calculated on the amount of tax which remains unpaid, for the period starting from the date on which such tax was due to be paid till the date such tax is paid at the rate specified under section 50(1).

Where interest is payable on the amount of ITC wrongly availed and utilised in accordance with section 50(3), the interest shall be calculated on the amount of input tax credit wrongly availed and utilised, for the period starting from the date of utilisation of such wrongly availed input tax credit till the

---

<sup>28</sup> Prior to amendment made by the Finance Act, 2022, interest under section 50(3) was leviable on a taxable person who makes an undue or excess claim of ITC under section 42(10) or undue or excess reduction in output tax liability under section 43(10). Since the provisions of section 42(10) and 43(10) never came into effect, the provisions relating to interest payment under section 50(3) also didn't become effective. Thus, rate of interest of 24% per annum notified earlier for the purposes of section 50(3) had never been effective.

date of reversal of such credit or payment of tax in respect of such amount at the rate specified under section 50(3).

The explanation to the rule lays down that-

- (i) input tax credit wrongly availed shall be construed to have been utilised, when the balance in the electronic credit ledger falls below the amount of input tax credit wrongly availed, and the extent of such utilisation of input tax credit shall be the amount by which the balance in the electronic credit ledger falls below the amount of input tax credit wrongly availed.
- (ii) the date of utilisation of such input tax credit shall be taken to be-
  - (a) the date, on which the return is due to be furnished under section 39 or the actual date of filing of the said return, whichever is earlier, if the balance in the electronic credit ledger falls below the amount of input tax credit wrongly availed, on account of payment of tax through the said return; or
  - (b) the date of debit in the electronic credit ledger when the balance in the electronic credit ledger falls below the amount of input tax credit wrongly availed, in all other cases.

**5. Clarifications regarding utilization of the amounts available in the electronic credit ledger and the electronic cash ledger for payment of tax and other liabilities**

**Issue 1:** Whether the amount available in the electronic credit ledger can be used for making payment of any tax under the GST Laws?

**Clarification:** In terms of section 49(4), the amount available in the electronic credit ledger may be used for making any payment towards output tax under the CGST Act or the IGST Act, subject to the provisions relating to the order of utilisation of ITC as laid down in section 49B readwith rule 88A.

Rule 86(2) provides for debiting of the electronic credit ledger to the extent of discharge of any liability in accordance with the provisions of section 49/49A/49B.

Further, output tax in relation to a taxable person (i.e. a person who is registered or liable to be registered under section 22 or section 24) is defined in section 2(82) as the **tax chargeable on taxable supply of goods or services or both but excludes tax payable on reverse charge mechanism.**

**Accordingly, it is clarified that any payment towards output tax, whether self-assessed in the return or payable as a consequence of any proceeding instituted under the provisions of GST laws, can be made by utilization of the amount available in the electronic credit ledger of a registered person.**

It is further reiterated that as output tax does not include tax payable under reverse charge mechanism, implying thereby that the electronic credit ledger cannot be used for making payment of any tax which is payable under reverse charge mechanism.

**Issue 2:** Whether the amount available in the electronic credit ledger can be used for making payment of any liability other than tax under the GST laws?

**Clarification:** As per section 49(4), the electronic credit ledger can be used for making payment of output tax only under the CGST Act or the IGST Act. It cannot be used for making payment of any interest, penalty, fees or any other amount payable under the said Acts. Similarly, electronic credit ledger cannot be used for payment of erroneous refund sanctioned to the taxpayer, where such refund was sanctioned in cash.

**Issue 3:** Whether the amount available in the electronic cash ledger can be used for making payment of any liability under the GST laws?

**Clarification:** As per section 49(3), the amount available in the electronic cash ledger may be used for making any payment towards tax, interest, penalty, fees or any other amount payable under the provisions of the GST laws.

## 6. [Rule 85 amended owing to omission of sections 42 & 43](#)

Rule 85 contains provisions relating to the Electronic Liability Register. Since, sections 42, 43 and 43A have been omitted so as to do away with two-way communication process in return filing<sup>29</sup>, consequential amendments have been made in rule 85(2).

Accordingly, **with effect from 01.10.2022**, clause (c) of rule 85(2) has been omitted as the said clause referred to the amount of tax and interest payable as a result of mismatch under sections 42 or 43 or 50.

**Amended rule 85(2)** reads as follows:

The electronic liability register of the person shall be debited by-

- (a) the amount payable towards tax, interest, late fee or any other amount payable as per the return furnished by the said person;
- (b) the amount of tax, interest, penalty or any other amount payable as determined by a proper officer in pursuance of any proceedings under the Act or as ascertained by the said person; or
- (c) ~~**the amount of tax and interest payable as a result of mismatch under section 42 or section 43 or section 50; or**~~
- (d) any amount of interest that may accrue from time to time.

## 7. [Electronic Cash Ledger to be updated on the basis of e-Scroll of the RBI in case of failure of bank to communicate details of Challan Identification Number to the common portal \[Rule 87\(8\) amended\]](#)

In cases where bank fails to communicate the Challan Identification Number (CIN) details of taxes paid through e-payment mode to GST System for updating the Electronic Cash Ledger (ECL), the ECL of such taxpayers are updated next day on the basis of RBI e-Scroll file containing the successful payment made against the CINs as shared by banks with RBI. However, there is presently no provision in the CGST Rules, 2017 providing for such updation of ECL based on e-Scroll of RBI.

In this regard, CAG highlighted the need for having a specific provision in law for updation of ECL on the basis of e-Scroll of RBI. Thus, in order to regularize the process of updating ECL of the taxpayer on the basis of e-Scroll data received from the RBI in the cases where payment has been received successfully, but bank fails to share the signed CIN with GST System, following proviso has been inserted to rule 87(8):

Where the bank fails to communicate details of Challan Identification Number to the common portal, the Electronic Cash Ledger may be updated on the basis of e-Scroll of the RBI in cases where the details of the said e-Scroll are in conformity with the details in challan generated in Form GST PMT-06 on the common portal.

## 3. Omission of rules 69, 70, 71, 72, 73, 74, 75, 76 and 77

As a result of doing away with the two-way communication process for return filing, **with effect from 01.10.2022**, following CGST rules have been omitted:-

- ✓ Rule 69 – Matching of claim of input tax credit;
- ✓ Rule 70 – Final acceptance of input tax credit and communication thereof;
- ✓ Rule 71 – Communication and rectification of discrepancy in claim of input tax credit and reversal of claim of input tax credit;
- ✓ Rule 72 – Claim of input tax credit on the same invoice more than once;
- ✓ Rule 73 – Matching of claim of reduction in output tax liability;
- ✓ Rule 74 – Final acceptance of reduction in output tax liability and communication thereof;
- ✓ Rule 75 – Communication and rectification of discrepancy in reduction in output tax liability and reversal of claim of reduction;
- ✓ Rule 76 – Claim of reduction in output tax liability more than once;

Section 48 relating to Goods and Services Tax Practitioners has been amended<sup>30</sup> to remove reference to section 38 [Communication of details of inward supplies and input tax credit] therefrom.

Rule 83(8) enlists activities that can be undertaken by a GST Practitioner on behalf of a registered person if so authorised by him.

Earlier, as per rule 83(8)(a), GST practitioners were allowed to furnish the details of both outward and inward supplies on behalf of a registered person if so authorised.

However, **with effect from 01.10.2022**, rule 83(8)(a) has been amended. Now, a GST practitioner is only allowed to **furnish the details of only outward supplies and not inward supplies** on behalf of a registered person if so authorised by him.

**9. Maximum late fees payable under section 47 for delayed filing of annual return, rationalized**

Section 47 stipulates a specified amount of late fee for delay in filing annual return. An equal amount of late fee is payable by such person under the respective SGST/UTGST Act as well.

The late fee can be waived off partially or fully by the Central Government. Consequently, since the inception of GST law, late fee is being regularly waived off by the Central Government either partially or fully.

From the financial year 2022-23 onwards, late fee for delayed filing of annual return, has been rationalized as follows:

Total amount of late fee payable under section 47 **from the financial year 2022-23 onwards**, by the registered person who fail to furnish annual return by the due date, shall be as follows:

**10. Taxpayer to be intimated the difference in liability in Form GSTR-1 and Form GSTR-3B and be requested to pay the differential liability or explain the difference [New rule 88C introduced and rule 59(6) amended]**

A new rule 88C has been introduced to determine a mechanism for dealing with difference in liability reported in statement of outward supplies between Form GSTR-1 and Form GSTR-3B. Accordingly, where the tax liability as per Form GSTR-1 for a tax period exceeds the tax liability as per Form GSTR-3B for that period by more than a specified extent, the registered person would

be intimated on the portal of such difference and be directed to either (i) pay the differential tax liability along with interest, or (ii) explain the difference, within specified time.

Unless the taxpayer either deposits the amount specified in the said intimation or furnishes a reply explaining the reasons for any amount remaining unpaid, such a person should not be allowed to file Form GSTR-1/IFF for the subsequent tax period.

**Rule 88C** reads as follows:

Where the tax payable by a registered person, in accordance with the statement of outward supplies furnished by him in Form GSTR-1 or using the IFF in respect of a tax period, exceeds the amount of tax payable by such person in accordance with the return for that period furnished by him in Form GSTR-3B, by such amount and such percentage, as may be recommended by the Council, the said registered person shall be intimated of such difference.

Such registered person shall be intimated in prescribed form, electronically on the common portal, and a copy of such intimation shall also be sent to his e-mail address\*.

In said intimation, the said difference between GSTR-1 and GSTR-3B will be highlighted and he will be directed to:

- (a) pay the differential tax liability, along with interest under section 50, through prescribed form; or
- (b) explain the aforesaid difference in tax payable on the common portal, within a period of 7 days.

*\*email address which registered person has provided at the time of registration or as amended from time to time*

Such registered person shall, upon receipt of the aforesaid intimation, either:

- (a) pay the amount of the differential tax liability, as specified in intimation, fully or partially, along with interest under section 50, and furnish the details thereof electronically on the common portal; or

- (b) furnish a reply electronically on the common portal, incorporating reasons in respect of that part of the differential tax liability that has remained unpaid, if any,

within the period of 7 days.

Where any amount specified in the said intimation remains unpaid within 7 days' period and where no explanation or reason is furnished by the registered person in default or where the explanation or reason furnished by such person is not found to be acceptable by the proper officer, the said amount shall be recoverable in accordance with the provisions of section 79.

Further, a registered person, to whom such an intimation of difference between GSTR-1 and GSTR-3B for a tax period is issued, will be blocked from furnishing the GSTR-1/using IFF for subsequent tax period unless he deposits amount specified in intimation or explains the reasons for any unpaid amount. In other words, a registered person, to whom intimation is issued under rule 88C, has been issued on the common portal in respect of a tax period, shall not be allowed to furnish the details of outward supplies in Form GSTR-1/using IFF for a subsequent tax period, unless he has either deposited the amount specified in the said intimation or has furnished a reply explaining the reasons for any amount remaining unpaid, as required under the provisions of rule 88C above **[Rule 59(6)<sup>33</sup> amended]**.
